

Grains produced with PHOSAGRO® Fertilizers to be exported from the supplier company.

We deliver the goods to Iranian Ports, in the perfect condition and premium quality.

WE GUARANTEE THE PRODUCTS WE PROVIDE.

We sign an internationally valid contract with the buyer and we assist our clients in every step of the trade, reassuring them their success and our commitment.

Firoozeh Shargh Aras Co. is a trusted partner in the grains trade, with a reputation of excellence and integrity.

We have a diversified portfolio of grains and related products, such as wheat, corn, barley, rice, soybeans and oilseeds.

Also we offer a wide range of products and services, such as grain origination, storage, transportation, processing, marketing and risk management.
